SUPPLEMENTARY INFORMATION:

Purpose: The Advisory Committee to the Director, CDC, shall (1) make recommendations to the Director regarding ways to prioritize the activities of the agency in alignment with the CDC Strategic Plan required under section 305(c); H.R. 2617–1252; (2) advise on ways to achieve or improve performance metrics in relation to the CDC Strategic Plan, and other relevant metrics, as appropriate; (3) provide advice and recommendations on the development of the Strategic Plan, and any subsequent updates, as appropriate; (4) advise on grant, cooperative agreements, contracts, or other transactions, as applicable; (5) provide other advice to the Director, as requested, to fulfill duties under sections 301 and 311; and (6) appoint subcommittees. The Committee recommends ways to prioritize CDC's activities, improve results, and address health disparities. It also provides guidance to help CDC work more

effectively with its various private and public sector constituents to make health protection a practical reality.

Matters To Be Considered: The agenda will include discussions regarding CDC's current and future work in the following topic areas: (1) communications; (2) laboratory quality; (3) global health; (4) health equity; (5) response readiness; and (6) data and surveillance. The ACD will hear reports from its workgroups on data and surveillance, laboratory quality, and health equity topics. In addition, the ACD will hear an update on communications, global health, and response readiness. Agenda items are subject to change as priorities dictate.

Public Participation

Interested persons or organizations are invited to participate by submitting written views, recommendations, and data.
